

### ***VOC'S Richards House Receives Grants from Two National Foundations***

**HelpAmerica Foundation** and **Foundation for American Veterans, Inc.** have each awarded Veterans Outreach Center \$10,000 to be used to make structural and life-safety repairs to Richards House.

**HelpAmerica Foundation**, the charitable giving arm of the **AtHome America Company**, has donated close to \$1 million to date to organizations that support homeless American veterans.

"HelpAmerica Foundation is committed to serving our nation in many ways. We look to organizations like Veterans Outreach Center to help us carry out our mission to make the United States of America a better place, especially for our veterans, homeless or otherwise," said HelpAmerica Foundation coordinator, D.C. Curry.

**Foundation for American Veterans, Inc.** (FAV) was established to provide a variety of benefits for all veterans, regardless of branch of service. FAV's main goal is to step in and assist veterans - through veterans' hospitals, homeless programs, educational programs, crisis programs, etc. - where the local, state, and federal governments leave off.

"We are so grateful to both foundations for their generosity and for their appreciation of the sacrifice the men of Richards House have made for this country," said Judy Gilbert, VOC's Director of Residential Programs at Richards House.
