

## FOUNDED LOCALLY IN 1973 BY RETURNING

Vietnam veterans, today's Veterans Outreach Center remains deeply rooted in our community. We understand the needs of veterans and their families continue to evolve, and the scars of war can be deep and slow to heal.

We are committed to meeting veterans where they are, offering individualized services in a supportive, caring, and judgment-free environment. Our comprehensive programs and services address mental, physical, and economic well-being to provide healing and societal reconnection.

All services are provided at no cost to veterans.

"While I was [at Veterans Outreach Center], a fellow veteran who was homeless came in for help. During that time, I witnessed VOC staff doing everything they could to make this gentleman feel welcome. They offered him food, clothing, and a blanket. ***Most of all, they showed him great compassion.***"

- Gary, VOC client

"Having [Veterans Outreach Center] advocate for me helped ease so much stress. Support through programs like that is so critical to support our troops."

- A. Wells, VOC client
